Minerals Program Manager

Subject: Civil Penalty for Cessation Order MC2008-25-01.Black Gold Organic Fertilizer Inc..
Rhea Rae Mine. S/019/0064.Grand County,Utah

Dear Mr. Baker:

This letter is in reference to the assessed penalty cessation order MC2008-25-01 dated June 12,2008. The informal conference took place on September 4, 2008. The request for payment was made by the Utah Division of Oil,Gas, and mining to make payment of \$ 1430.00 USD. Ten days after September 4, 2008 on September 14,2008 payment was made to: State of Utah Division Oil,Gas,and Mining. I have attached a copy of the check that was deducted from the account of Black Gold Organic Fertilizer Inc. in the amount of \$1430.00 USD dated 9/14/08, deducted from the account on 9/25/08 paid to: State of Utah Oil, Gas, and Mining.I do hope this will clear up,and satisfy this matter has been paid in full. In the event you need my bank to certify with letterhead, and notarized signature for additional proof, please advise if required. I will follow up with hard copy of this email to all concerned parties. A none payment noticed a year ago would have clear this matter without notifying all departments we have non preformed on this issue. If you require addition attention to this matter please advise.

Sincerely,

Darrell G. Boepple
President
Black Gold Organic Fertilizer Inc.
